

Pay-per-view instructions for SAGE Journals Online

If your institution does not maintain a subscription to a particular SAGE journal, single articles can be purchased online (access to the article is available to you for a 24-hour period on the same computer used to purchase the article). To purchase a single article, follow these 4 easy steps:

1. Click on the article's PDF or Full-Text (HTML) link. At the top of the next screen, a message will appear that states, "This item requires a subscription to [Journal Name]" (example shown at right).
2. The article price is shown under "Purchase Short Term Access" (please scroll down page to find this link). To continue with the transaction, click on the "Pay per Article" link.
3. You will be directed to a screen titled "Purchase Temporary Access" where you will be required to fill in specific fields to complete the transaction (example shown below). Once all fields are completed, click the "Charge Credit Card" button.

The screenshot shows the SAGE Journals Online interface. At the top, there is a navigation bar with "The ANNALS" logo and a search box. Below the navigation bar, a message states: "This item requires a subscription to The ANNALS of the American Academy of Political and Social Science Online." The article title is "Democracy and Intellectual Property: Examining Trajectories of Software Piracy" by Piquero and Piquero. Below the title, there are several options for viewing the article: "Sign in" (for subscribers), "Purchase Short-Term Access" (with a "Pay per Article" link for \$25.00), and "Athens users" (for institutional access). There are also links for "Subscribe/Recommend" and "Download in citation manager".

The screenshot shows the "Purchase Temporary Access" form. At the top, there is a "PLEASE NOTE" section explaining the use of cookies and temporary access options. The main form contains the following fields: "Email:" (Required), "Name on Credit Card:" (Required), "Credit Card Number:" (Required), "Credit Card Type:" (Please Select One, Required), "Expiration Date:" (Month and Year, Required), "Billing Zip/Postal Code:" (Required), and "Card Security Code:" (Required if your card specifies one). Below the form, there is a "CHARGE CREDIT CARD" button. At the bottom, there is a summary of the purchase: "You are purchasing access to: Piquero and Piquero, Democracy and Intellectual Property: Examining Trajectories of Software Piracy, The ANNALS of the American Academy of Political and Social Science 2006 605 (1), p. 104".

4. The next screen confirms your purchase (example shown below). You will also receive an email confirmation containing your transaction information (please retain these messages for your records—these are the only receipts you will receive for the purchase). On the confirmation screen, click the “View Article” link to open the full-text article. Please allow 5-10 seconds for the article PDF to open (time may vary depending on your internet connection speed and size of article). You may click the “Begin Automatic Download” link if the article doesn’t open within this timeframe.
